Dear Brothers and Sisters,

I pray that this letter finds each of you strong in the Lord and in the power of His might. I am writing you because the Sovereign Grace Bible Conference is fast approaching and I want to give you at least an outline of the planned program and activities. The Conference will open Sunday, July 23<sup>rd</sup> at 11:00 am with Elder J. R. Banks preaching. Registration and a continental breakfast will begin at 8:30 am on Monday, July 24<sup>th</sup>, followed by praise and worship and a season of prayer at 9:00 am. The morning sermon will be at 9:30 am, followed by breakout sessions that will have different biblically based discussion groups. There will be a noon day sermon followed by lunch in the Osborne Fellowship Hall. The evening session will begin at 6:15 pm with prayer, praise and worship. The evening lecturer is Pastor Herman Washington of NY. The evening sermon will immediately follow the evening lecture. And as usual, an evening meal will be served in the Osborne Fellowship Hall.

The theme this year is “Being the Lord’s Witness in a Wicked World”. It is with that in mind that I submit the theme text for the 2017 Sovereign Grace Bible Conference found in: *Isaiah 43:10-12*, <sup>10</sup>*Ye are my witnesses, saith the LORD, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me. <sup>11</sup>I, even I, am the LORD; and beside me there is no saviour. <sup>12</sup>I have declared, and have saved, and I have shewed, when there was no strange god among you: therefore ye are my witnesses, saith the LORD, that I am God.*

The slate of preachers is still being filled and will be reported as soon as they are confirmed. Please be in prayer for the New Home Church as we strive to bring glory to the Lord our God and make your stay with us both edifying and refreshing.

If you are sending financial love gifts to the conference, please send to the address below. Also, please register as soon as possible, as this helps us greatly in planning food cost and making other logistical plans.
